No. C 12-0166 SI

9 Plaintiffs,

**ORDER REQUIRING STATUS REPORT**

10 v.

11 EDWARD R. STOLZ., II, et al.,

12 Defendants.  
13 \_\_\_\_\_/

14 At the March 15, 2013 hearing on plaintiffs' motion for summary judgment, the parties informed  
15 the Court that they had agreed in principle to settle the case and were actively resolving certain details.  
16 The Court deferred ruling on the pending motion to allow the parties to resolve the remaining issues.

17 The parties have not since contacted the Court regarding the status of their negotiations and  
18 plaintiffs' motion remains under submission. Accordingly, the Court hereby DIRECTS the parties to  
19 file with the Court **a joint status report, no later than June 28, 2013**, informing the Court as to  
20 whether the case has settled or whether they have made arrangements for further settlement negotiations  
21 and, if so, when and with whom those negotiations will proceed.

22  
23 **IT IS SO ORDERED.**
